AMA provided exceptional service and did a really fantastic job of repairing my home so we could sell it. Nothing was too much trouble. They did a brilliant job of painting, sanding jammed doors and repairing broken items. GREAT WORK and it was really a lot cheaper than everyone else was quoting. Both Fuzz and Moe were down to earth and extremely easy to get along with. Would use their services again in a heartbeat. David Penman

Moe's response was really fast and much appreciated. Turned up when he said he would, was really creative in the approach to the problem and thought of a much better solution than mine. Quick, friendly, very good rates, will use again.

Moe did a fantastic job fixing our external window frame which one of our dogs badly damaged trying to break into the house.. He responded quickly to my enquiry and was happy to take on the task when nobody else would. The quality and professionalism of his work was highly regarded and I would not hesitate to recommend him and his work. Thanks again Moe.
